

# Capital Letters:

## Geographical Places

Names of places start with a capital letter. These places can be things like countries, states, towns, mountains, rivers, and oceans.

**Example 1: the Mississippi River**

**Example 2: London, England**

Below are sentences with words that need their capital letters. Rewrite each one so it is correct.

1) The Nile river is the longest river in Africa.

**The Nile River is the longest river in Africa.**

2) The Pacific ocean is all around the islands of Hawaii.

**The Pacific Ocean is all around the islands of Hawaii.**

3) The city of Tokyo is in Asia.

**The city of Tokyo is in Asia.**

4) The north pole is north of Canada.

**The North Pole is north of Canada.**

5) The state of California is west of the Rocky mountains.

**The state of California is west of the Rocky Mountains.**

6) The Grand canyon was formed by the Colorado river.

**The Grand Canyon was formed by the Colorado River.**

## The Birthday Party

The birthday party is coming up this Saturday. My friends Jack, Paul, and Mark are coming. My brother, my grandpa, and my cousins will also be there. Today we need to go to the supermarket to buy the party food. My mum says we need to get some healthy things like fruit, carrot sticks, hummus, and meatballs. I am going to make sure we get treat food too, like marshmallows, caramel popcorn, and juice. I only turn 10 once! My nana is making a cake. She asked me what kind of cake I would like. I chose chocolate mud cake.
