

Name _____

Prefixes

Prefixes are added to the beginning of root or base words. When you add a prefix to a base word, you change the word's meaning.

Some common prefixes and their meanings:

re--again, back

dis--not

pre--before

un--not, opposite

mis--wrong

under--below

⇒ Directions: Write the meaning of each word. Example: unhappy -- not happy

1. dishonest -- _____

2. replay-- _____

3. underwater-- _____

4. preview-- _____

5. unable-- _____

6. redo-- _____

7. preschool -- _____

8. untied -- _____

9. mistreat -- _____

10. underage -- _____
