# Suffixes

Suffixes are added to the end of root or base words. When you add a suffix to a base word, you change the word's meaning.

Some common suffixes and their meanings:

**able**--can be done

**est**--most

**er**--more

**ful**--full of

**less**--without

**er**--one who

➡ Directions: Write the meaning of each word. Example: joyful -- full of joy
