

Week 3 Reading Review Lesson Answer Keys

Main Idea Worksheet 1:

1. C - Fiona is a very friendly girl.
2. A - Fiona smiles and says hello.

Main Idea Worksheet 2:

1. C - John enjoyed his day off.
2. John rides his skateboard, has a hot lunch, and rides his bike all afternoon.

Main Idea Worksheet 3:

1. C - Kids benefit in many ways from being involved in sports.
2. Sports is a way for kids to challenge themselves in a safe and encouraging environment.

Sports are a natural place to learn important life lessons.

Participating in sports can pave the way to unique opportunities that kids might not otherwise have.

Teammates and coaches become like family, so kids that are involved in sports have larger support systems.

Sports are also a very viable way for athletically-inclined kids to be able to afford college. Many college and universities offer sports scholarships.

Main Idea Worksheet 4:

1. C - ASL involves both hand and facial movements.
2. Syntax is indicated by indicating spatial locations, by the movements of hands and facial features, and by the context of the conversation.

Intensity of language is conveyed by increasing the speed of the "speaker's" gestures.

Eyebrow motions are often used to indicate whether or not a sentence is declarative, imperative, or interrogative.
